

Practical Pistol Seminar and IDPA Match with Tony Cowden

April 16 & 17, 2021

RRPC member and IDPA Top Gun Competitor Greg Morgoglione is bringing Tony Cowden to RRPC on Friday April 16, 2021 for an all day Practical Pistol Training Event, and Tony will shoot with event participants on a dedicated squad at the April 17th IDPA Match at RRPC.

Tony Cowden is a seasoned practical pistol, rifle, self-defense, and fitness trainer with 22 years in the Special Operations community, serving over 8 years and 28 deployments in Afghanistan, Iraq and other Central Asian and Africa countries. For more information and training insight follow him on Instagram and visit Capable Incorporated dot com.

With the Covid uncertainty we are going to begin with a limit of 9 event participants so the squad will max at 10. We will keep a waiting list once we fill up so that if restrictions relax we can add a few participants.

Cost is \$325.

Contact Greg to register and for info.

Please register ASAP, no later than February 1st, to ensure your spot.
