

MEMBER MEETING CANCELED FOR JANUARY

I regret to inform you that the Rivanna Rifle and Pistol Club Membership Meeting scheduled for January 14th, 2021 has been CANCELLED due to [Governor Northam's Executive Order 72](#) which prohibits gatherings of more than 10 people.

This was not a decision the Board of Directors took lightly. At this time we still plan to hold the next scheduled Membership Meeting on February 11, 2021 and would welcome all prospective associate members to attend once it is confirmed.

Thank you for your understanding during this difficult time. Should you have any questions concerning this, contact me.

Best Regards,

Chris Kontalonis
